Decorative Stone

Kilsaran's decorative stone is perfect when creating garden paths, separating landscaped areas or simply adding colour. There's no need to 'square off' patios when you can use decorative stone to create a relaxed and informal feel to the space. The range includes standard or bulk bags.

Discover a wide range of Kilsaran decorative stone for your next DIY, garden or landscaping project. Decorative stone is perfect for creating

informal garden spaces and helps define the landscape of any garden for a professional looking finish. The opportunities are truly endless, making stone the most hard-wearing and reliable element to any garden. With decorative stone you can create and build any number of unique features.

The advantages of decorative stone:

- Ideal for separating areas
- Creates instant colour
- Easy to maintain
- Durable and long lasting
- Helps suppress weed growth
