Space Park

92 Corporation Road, Leicester, United Kingdom, LE4 5SP

Featured Products: **Paving and Walling: Newgrange Silver Granite Flags and Newgrange Silver Granite and Black Granite Blocks**

Building upon the heritage and space-science excellence of the University of Leicester, Space Park is a collaborative community of Industry, academics and students working together to drive growth in space and space-enabled sectors.

Space Park, provides state of the art, high-tech facilities for research, development and manufacturing.

For this project, we provided our elegant Newgrange flag and block range. Our Silver Granite flag along with our Silver Granite and Black Granite blocks were utilised on this project. With a subtle textured finish Newgrange is a favourite for those looking to create an inspired look with a contemporary feel.
