# National Forensic Mental Health Services Hospital St Ita's hospital site, Portrane, Co Dublin

Featured Products: **Newgrange Silver Granite Flags and Blocks, Newgrange Black Granite Blocks, Newgrange Silver Granite Cobbles, Clima Pave Slane (Charcoal), Tara Kerbs, Non-Shrink Grout, M4 Masonry Coloured Bulk & Bagged Mortar, Concrete Blocks, Ready-Mix Concrete, Aggregates, K-Spread Trowel Ready Mortar and Polymer Modified Stone Mastic Asphalt.**

The National Forensic Mental Health Service Hospital is a new state-of-the-art facility, located 22km outside Dublin City in Portrane. The new facility can provide care for up-to 170 patients as well as community and prison in-reach services.

For this project, we used our Newgrange flags, blocks and cobbles along with Clima Pave Slane and Tara Kerbs. Our M4 Masonry Coloured Bulk and Bagged Mortar, Non-Shrink Grout, Concrete Blocks, Ready-Mix Concrete, Aggregates and Polymer Modified Stone Mastic Asphalt were also used throughout this stunning project.
