## Grace Park Educate Together National School DCU All Hallows Campus, Grace Park, Drumcondra, Dublin 9

Featured Products: **Newgrange Silver Granite Blocks, Newgrange Black Granite Blocks, ClimaPave Slane Charcoal and Newgrange Silver Granite Flags**

Grace Park Educate Together National School is a 16-classroom primary school located within the DCU All Hallows Campus. This brand new state of the art building extends over three floors and features double height spaces, large full height windows and a roof top garden. For this project, we provided a range of products including our Newgrange blocks in two colours (Silver and Black Granite). The subtle granite textured surface of our Newgrange range combined with inspiring colours make it stand out from the crowd.
