## Two Oaks

### Scholarstown Road, Knocklyon, Co.Dublin

Featured Products: **KEWI, Ceresit Insulated Render System, Durarend Classic System, Masonry Mortar, Lismore Slate & Charcoal Blocks, ClimaPave Slane Charcoal & Natural, Newgrange Silver Granite Flags & Tactile Buff Corduroy**

Two Oaks is a wonderful collection of duplexes and apartments in the heart of Knocklyon, Dublin 16. These stylish new homes offer perfect convenience in a popular and well-established area.

Throughout this project, we supplied our modern and stylish paving at the front, rear and centre of this complex. Our Kilsaran External Wall Insulation was used on the penthouses of this building and Ceresit Insulated Render System from our KPRO Range as well as our Durarend Classic System & Masonry Mortar was used throughout this project.
