FAÇADE

Introducing KPRO Façade OCR

The newest member to our Façade family! Our OCR is a fine-grained one coat base render for use on a wide range of substrates. Our OCR can be combined with a number of finishes to provide a durable and aesthetic façade.

5in1 Five in One

KPRO OCR is a 5 in 1 render, suitable for use internally and externally in the following applications;

-  **A durable, single-application basecoat designed for KPRO decorative mineral render finishes**
-  **A high-strength internal basecoat suitable for gypsum skim coat finishes**
-  **A long-lasting basecoat designed for KPRO decorative organic render finishes (acrylics and silicones)**
-  **A durable basecoat suitable for KPRO and approved silicone paints**
-  **An internal air-tight parge coat**
